

Susan Cameron has announced that she has commissioned a model bus which should be available for sale at the open weekend at the Scottish Vintage Bus Museum at Lathalmond, Fife, which this year is being held on Sat/Sun 14/15 August. As has become the norm part of the profits will go to the museum to aid their sterling work in preserving Scottish vehicle heritage.

This year's the chosen model is based on the Creative Master Northcord Limited Enviro400 casting & the featured vehicle is from the Stagecoach in Lochaber fleet. The model carries "The Fort Link" local route network branding & the destination featured is route 46, Corpach, Drumfada Tce via Caol. The vehicle depicted carries Stagecoach national fleet number 19170 & registration number SV57BFU. There will only be 300 of this model produced & each will come with an individually numbered certificate. The model reference number is UKBUS0029.
